About AM Conclave Middle East

AM Conclave Middle East is an initiative to bring the entire Additive Manufacturing and 3D Printing ecosystem in the Middle East on one platform including Government, Users, Software Providers, Hardware, Material Manufacturers, Research Institutes and Standards & Certification Bodies, with an aim to advance the adoption of AM in line with the various initiatives and strategies in the region to catalyze manufacturing.

The event will feature application and technology focussed conference mapping the latest developments and trends in the world of Additive Manufacturing. A high quality technical conference will also be supported by a exhibition and networking zone for the industry stakeholders to showcase their solutions and exchange ideas.

Why AM Conclave Middle East ?

Additive Manufacturing has the potential to revolutionize every industry across the Middle East including Aviation, Defence, Maritime, Oil and Gas, Healthcare, Energy, Architecture, mobility and manufacturing, a revolution towards efficiency, innovation and sustainability.

Combining the rich experience that AM Chronicle and organisers of AMTECH have working with industrial, government and academic partners across sectors, with technical expertise and research experience in Additive Manufacturing, AM Conclave Middle East is all set to empower the future of manufacturing in the region !

Featured Technologies

At AM Conclave, we aim to provide you with a comprehensive immersion into the entire value chain of Additive Manufacturing including the core technologies & the allied pre & post processes.

Design and Product Development

- › Industrial Design
- › Engineering and Part Design
- › Optimization
- › Simulation
- › Reverse Engineering

Materials

- › Metal & Ceramic Powders
- › SLS Powders
- › Filaments
- › Pellets & Resins
- › Composites
- › Additives, Binder, Agents
- › Miscellaneous Materials

3D Scanning and Metrology

- › Scanner Technology
- › Metrology Hardware
- › 3D Measurement
- › Inspection of 3D Printed Parts
- › Reverse Engineering
- › Quality Management
- › Non-Destructive Evaluation

Research and Development

- › Qualification and Standardization
- › Certification and Training
- › Manufacturing 4.0 & IOT
- › IOTMachine Learning

Additive Manufacturing Services

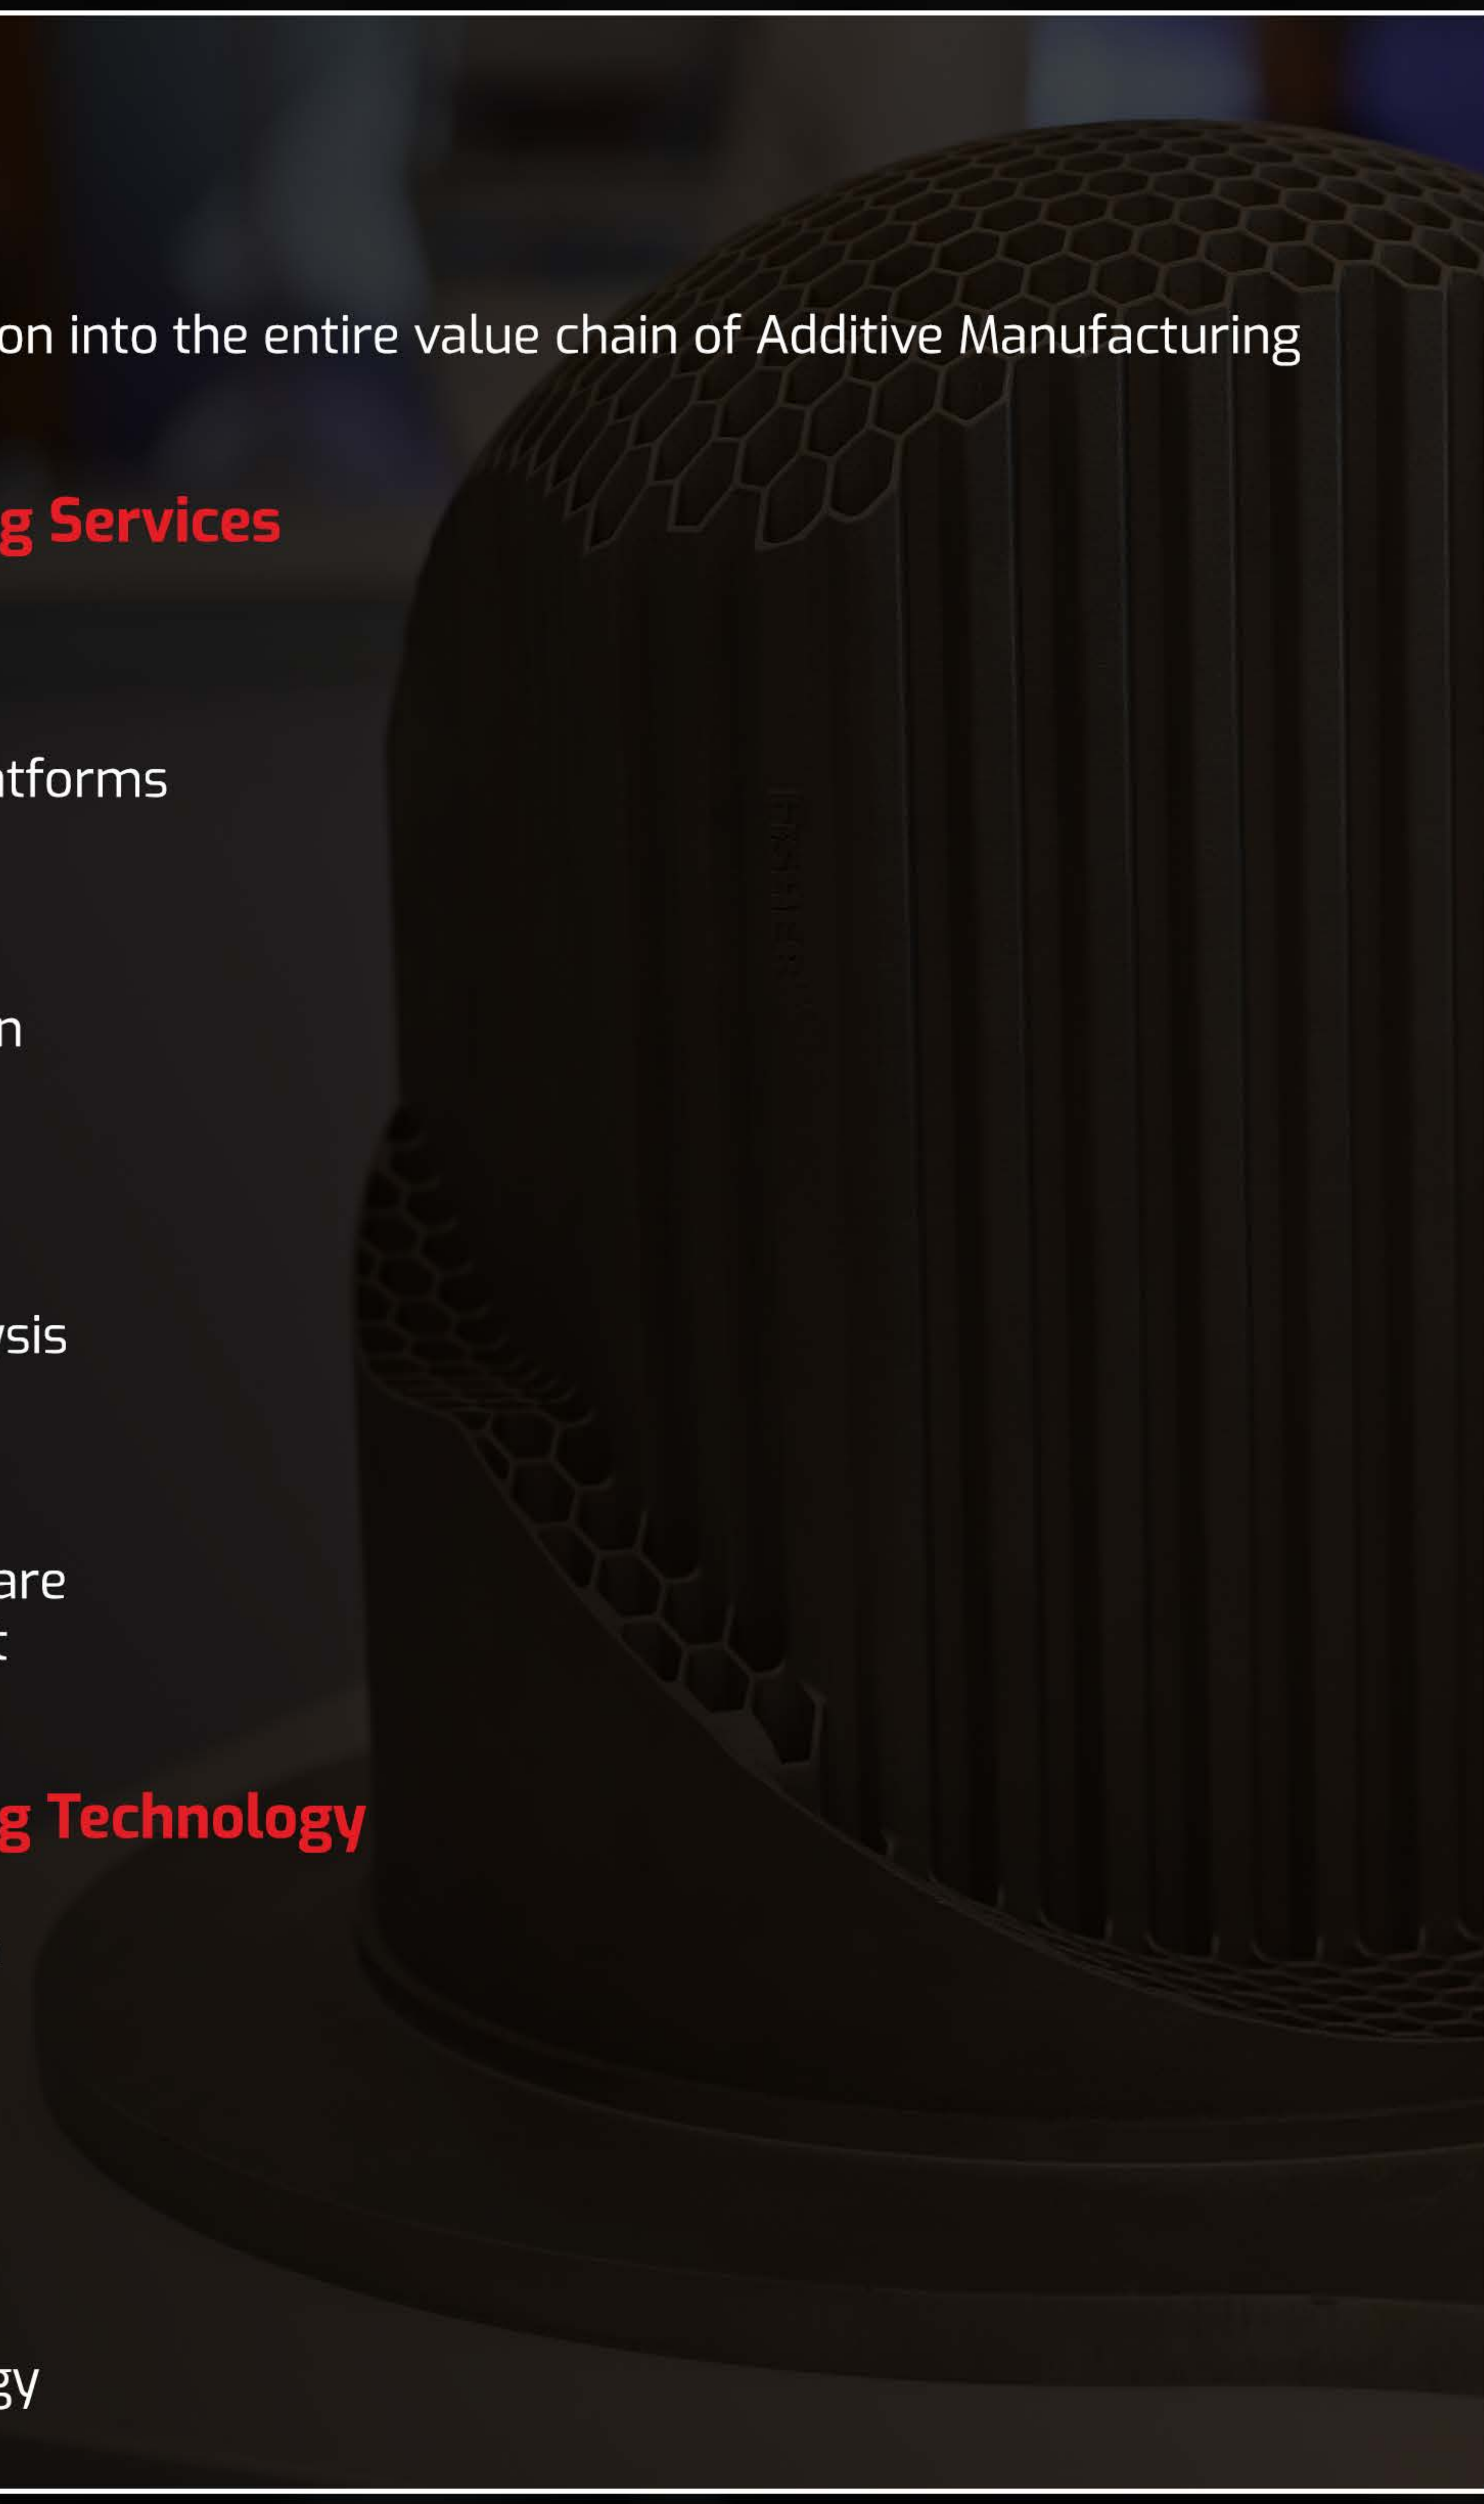

- › Polymer Service Bureau
- › Metal AM Bureau
- › Machining Centers
- › Cloud Manufacturing Platforms
- › Finishing

Software

- › Data and File Preparation
- › Build Preparation
- › Design Optimization
- › Parameter Optimization
- › Metrology
- › Measurement and Analysis
- › Support Generation
- › Process Monitoring
- › Quality Assurance
- › ERP and Planning Software
- › Production Management
- › Machine Control

Additive Manufacturing Technology

- › Powder Bed Fusion
- › Direct Energy Deposition
- › Material Extrusion
- › Binder Jetting
- › Material Jetting
- › Photopolymerisation
- › Sheet Lamination
- › Bio-printers
- › Miscellaneous Technology

Participation and Sponsorship Options

AM Conclave Middle East provides the perfect platform to associate your brand with thought leaders in Additive Manufacturing and 3D Printing in the Middle East.

LEAD PARTNER

- 18 Sqm Shell Scheme Space
- Branding on Delegate Badge
- Branding as Top Tier Exclusive Partner
- 1 Dedicated Newsletter to AM Database
- 30 Min talk in Key Note Session
- Nomination to theme based Panel Discussion
- Senior Members as Advisory Committee
- Prominent Branding on Online Portals
- Individual Branding at Venue
- 1 Full Page Advt. in AM Chronicle Magazine
- 8 Complimentary Delegate passes
- 25% Discount on Additional Passes

USD 25000 + VAT
(Limited to 2)

PLATINUM PARTNER

- 18 Sqm Shell Scheme Space
- Branding as Platinum Partner
- 20 Min talk as part of the Plenary Session
- Nomination to theme based Panel Discussion
- Individual Branding at Venue
- Prominent Branding on Online Portals
- Logo placement in Brochure and Flyers
- 4 Complimentary Delegate Passes
- 25% Discount on Additional Passes

USD 12000 + VAT

GOLD PARTNER

- 9 Sqm Shell Scheme Space
- Branding as Gold Partner
- Nomination to theme based Panel Discussion
- Prominent Branding on Online Portals
- Logo placement in Brochure and Flyers
- 2 Complimentary Delegate Passes
- 15% Discount on Additional Passes

USD 6000 + VAT

SPACE ONLY

This Stall Option includes -

- Stall Space with Octonorm Partition Walls 240cm high
- Facia board with Company Name printed on the aisle side
- Info Counter with Chairs
- Carpet on booked floor space
- Waste Basket
- Power Point Plug 15A / 20V

9 Sqm	\$3150 + VAT
12 Sqm	\$4200 + VAT
15 Sqm	\$5250 + VAT
18 Sqm	\$6300 + VAT

Exhibitor Testimonials

Abdullah Saif Al Awani
CEO
SINDAN

“We had the great opportunity to connect with the right minds in the Additive Manufacturing industry. AM Conclave is an amazing platform to learn, share ideas, collaborate and innovate in the UAE.”

Markus Glasser
Senior Vice President EMEA
EOS

“This year we met experts from the Technical side of AM Industry and also got to interact at the conference. The entire format of AM Conclave is appreciated.”

Riccardo Nicastro
Chief Commercial Officer
Caracol AM

“AM Conclave shows that the outlook in the Middle East is very positive with new companies participating and also new topics that are discussed in the conference.”

Alessio Esposti
Sales Director (Italy & Middle East)
Nikon SLM Solutions

“It is really an excellent event because we met a lot of the stakeholders and key players of the additive manufacturing industry.”

Magdalena Schwangler
Product Manager Additive Manufacturing
KraussMaffei

“AM Conclave is a very diverse event, we not only had a in-depth conversation with the Machine Manufacturers and Universities but also the users which is a very positive combination.

Calum Stewart
Director - EMEA Programmes
SPEE3D

“AM Conclave is a thriving event with Academia, Defence & Business coming together and building relations which leads to more advanced manufacturing solutions. AM Conclave is the place to be!”

Exhibitors and Partners

About the Organizers

This event is conceptualized and organised by AM Chronicle and the Industry Leading AMTech Expo who bring together a decade of expertise in Additive Manufacturing and run the regions largest forum for Additive Manufacturing across Middle East, APAC and India.
